TAKES THE VETERAN

BACK TO THE BATTLEFIELDS

AS IN A PERSONALLY CONDUCTED TOUR

Tourists travel hundreds of miles and spend hundreds of dollars to look upon the sites of the famous battlefields of the Civil War, and then they see the situation only as it appears today, and not as it was when the famous events were being enacted. How many a veteran would rejoice to go back once more to those localities where the roar of cannon and musketry resounded in his ears over forty years ago. This Album makes this well nigh possible, and these famous photographs take the precedence of a visit today since along with the natural localities one sees the great actors, the President and the armies as they moved over these localities. The whole action and movement live once again before the eye, making the situation

AS REAL AS THOUGH THE WAR HAD ONLY JUST ENDED

Hundreds of letters of strong commendation from military and educational authorities have been received, which are of convincing importance to all who have any interest in the history of the great Civil strife, as the following

POWERFUL TESTIMONY CONCLUSIVELY PROVES

J. W. Cheney, Librarian, War Department, Washington, says: "Your magnificent album of Civil War photographs is to me both a surprise and a delight. I am pleased to know that this superb volume has been added to the available literature of the War for the Union. I congratulate you on the successful accomplishment of a work that cannot be overestimated by appreciative students of American History."

Edward S. Holden, Librarian West Point Military Academy, says: "Your publication 'Original Photographs taken on the battlefields during the Civil War of the U. S.,' is an original document of the first importance. I beg to congratulate you on this publication which will have a very large usefulness, and to hope that you will print other volumes of the sort."

Admiral George Dewey says: "I believe it will commend itself not only to all Veterans of the Country, but also to all students of the history of our Civil War."

Bishop Samuel R. Fallows says: "The superb work of 'Original Photographs taken on the battlefields during the Civil War' should be in the possession of every Grand Army Post and of every Grand Army Comrade who can afford to take it. If I possessed the means, every Comrade who could not spare the money to purchase it, should have a copy."

Corporal Tanner says: "The volume instantly commanded my most undivided attention. Why, it is like rolling back the scroll forty-five years. In every respect, as to faithfulness and fineness of execution, I heartily endorse the publication."
